

Dear Parents/Guardians,

Don't miss the chance to have your child's artwork turned into beautiful Mugs ... and help the school at the same time!

Your child will either have already created their own special design at school/nursery, or will have brought the materials to do it home. This is a great opportunity to turn their creation into a professionally printed product, which you will be able to purchase for family, friends or for your child to have their own mug at the breakfast table!

**In addition, £1.00 from the sale of each mug will go straight back to the school/nursery or PTA!**

**Mugs**  
**£7.00**

Please follow the instructions and complete the order form on the reverse of your child's artwork clearly. On the form you will also find the **return date for orders** and **relevant payment information**.

Please make sure you purchase the number of Mugs you need now as we do not produce additional or extra orders, and please note:  
**We do NOT accept late orders.**

Many thanks & we look forward to receiving your order.

Our very best wishes,  
**The Mugs4Schools Team**
